Better Results With Coach-Net

“Coach-Net provides me with the confidence I need to travel anywhere in the country in my motorhome with peace of mind. I have always had great service and better results with Coach-Net. It’s unusual to find a company where we can place our total trust, security and safety. Thank you for your service.”

~ John B.

Loyal Members

“We are loyal members of Coach-Net and will continue to be.”

~ Glenn P.

Highly Recommend Coach-Net

“We had an excellent experience and would highly recommend Coach-Net to others.”

~ Christopher S.

Carefree RVing™

Life on the road can take a toll on your RV's appearance

BEFORE YOU HEAD OUT ON THE HIGHWAY, PUT YOUR MIND AT EASE

Finish ProtectSM, featuring NanoCure[®] with Nanoxide[™], was developed to protect your RV from the most common incidents that can permanently damage its appearance. It protects your RV's interior and exterior surfaces from the unexpected - and expensive - surprises that may be waiting around the next curve.

Interior & Exterior SURFACE PROTECTION

Windshield Protection

Creates a barrier that prevents particles and road debris from damaging the surface of the glass and provides for repair of minor chips and cracks less than 6".

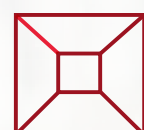

Carpet & Fabric Protection

Shields carpets and fabrics from spills and stains from food, drink and bodily fluids, as well as sun damage.

Leather & Vinyl Protection

Prevents damage to interior upholstery from spills and stains and the effects of UV rays.

End Cap Protection

Protects and prevents damage to the appearance of RV end caps.

Vinyl Awning Protection

Prevents damage to the appearance of the exterior awning of your RV, with the exception of vinyl slide-out covers.

Factory Wheel Protection

Prevents staining or excessive brake dust that is not easily removed by a commercial car wash

Body Panel Protection

Protects the exterior surfaces of your RV from damage by the elements, such as tree sap, insects, road tar and other hazards of life on the road.

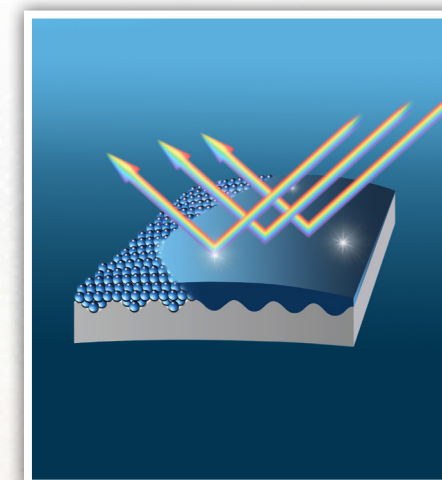

Headlight Lens Protection

Prevents dulling, yellowing or fading to your RV's headlight lenses.

Special FEATURE

Maintaining your vehicle's exterior and interior appearance can greatly impact its value.

Finish ProtectSM helps your RV keep that showroom look!

Our superior formulations provide a protective barrier for all interior and exterior surfaces of your RV.

- Finish Protect, featuring NanoCure[®] with Nanoxide[™], uses revolutionary nanotechnology to create superior protective finishes.
- Fills uneven areas, creating a weather- and hazard-resistant shield
- Forms a molecular bond with the surface to protect vehicles from the elements
